

**The Automotive Recyclers of Minnesota invite you to join the association that knows the automotive recycling industry and the people who make it work. By investing in an ARM membership, your company will be able to associate with a variety of businesses like yours and work with them to learn, profit, and make an impact.**

**The Upper Midwest Automotive Recyclers Convention**

The annual convention is the place to learn how to do business better. You will attend seminars from the nation's best, visit top vendors, and network with others in your industry. ARM members are able to attend the convention at a much lower cost and are able to influence planning the convention.

**Newsletter**

*The Minnesota Recycler* keeps you on top of local, regional and national trends and developments in the recycling field. It is packed with information about ARM members and events, legislative reports, business tips, and the latest technology reports.

**ARM Foundation**

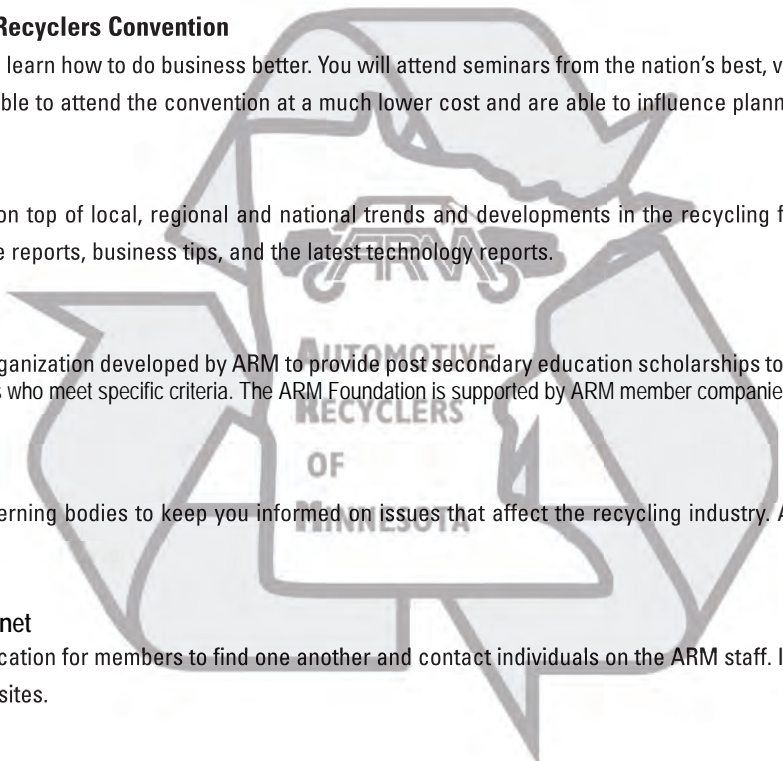

The ARM Foundation is a 501 (c)(3) organization developed by ARM to provide post secondary education scholarships to children of ARM members. ARM awards thousands of dollars annually to students who meet specific criteria. The ARM Foundation is supported by ARM member companies and employees.

**Representation at the Capitol**

ARM works with local and state governing bodies to keep you informed on issues that affect the recycling industry. ARM is ready to be involved in any political issue.

**Web site -- [www.autorecyclersmn.net](http://www.autorecyclersmn.net)**

The ARM Web site is a centralized location for members to find one another and contact individuals on the ARM staff. It is full of membership information, news bites, and links to important industry sites.
