I wish to participate in the Minnesota Certified Automotive Recycler (MN-CAR) program.

I agree to meet the MN-CAR standards.

I agree to participate in the MN-CAR auditing program to verify compliance with the MN-CAR standards.

I understand that participation in the MN-CAR program does not qualify me as a national ARA CAR member, but that I have that option if I am an ARA member in good standing, for an additional \$50.00 payable to ARA.

I have enclosed my MN-CAR membership fee of \$350.00, made payable to "ARM".

I agree to comply with the following guidelines:

- Be a member of ARM, and meet the membership requirements.
- Appropriately display applicable MN-CAR program identity and promotional materials. I agree to surrender the same if ARM membership is canceled or terminated.
- Improve my effectiveness as a business person and professional automotive recycler through trainings and seminars offered by ARM.
- To not knowingly purchase and/or sell automotive parts of questionable origin. A MN-CAR member should take pride in his industry and business, thereby enhancing quality, customer service and confidence.

I understand that as the automotive recycling industry changes, the requirements to be a MN-CAR member may also change. I agree to incorporate any such changes in my business. If I fail to do so, my MN-CAR membership will be subject to termination.

Disclaimer: Each automotive recycling facility participating in the MN-CAR program is responsible for complying with applicable local, state, and federal regulations. Meeting the MN-CAR standards does not guarantee compliance with all regulations that apply to the facility, nor does it provide against citizen or third party legal actions.
